TO : Mr. DeLoach

DATE: 11-2-64

FROM : D. C. Morrell

SUBJECT: SENATOR JOHN SPARKMAN

By communication dated 10-29-64 captioned individual's office referred the letter of John S. Crutcher and the magazine "Cuba Today--Photo Factual Report" and requested an answer to Crutcher's inquiry to the effect that he would like to find out something about this publication.

This publication has been brought to the attention of the Bureau in the past and it contains photographs with accompanying captions which tend to reflect Cuba in a favorable light. The photographs vary from a depiction of the execution of anti-Castro rebels to a portrayal of Cuba itself as economically sound despite the U. S. blockade.

The editor of the publication, Dr. H. Lynn Womack, is well known to the Bureau for his activities in violation of the Interstate Transportation of Obscene Material Statute. He is a former professor at Mary Washington College, Fredericksburg, Virginia, and in 1959 was a psychology professor at Howard University. He has been convicted on charges of sending obscene pictures of nude young men through the mail, and has been described by doctors as having an "obsessive-compulsive neurosis" and as a result has become an obsessive promiscuous homosexual.

In view of the information contained in Bufiles, someone from your (Mr. DeLoach's) office should contact an administrative assistant in the Senator's Office and advise him that the confidential nature of the information contained in FBI files precludes furnishing data to the Senator's constituent. The above information concerning the background of Womack should be furnished for the confidential information of the Senator's Office.

RECOMMENDATION: (1) That someone from your (Mr. DeLoach's) office contact a representative of the Senator's Office and advise him as above.

(2) That Crutcher's letter and magazine be returned to the Senator's Office.

1 - Mr. DeLoach
